

## Addendum

Roth, G. J.; Liepold, B.; Müller, S. G.; Bestmann, H. J. *Synthesis* **2004**, 59.

After publication of the above paper the authors became aware of an earlier report on the conversion of  $\alpha$ -amino-aldehydes to alkynes by a procedure similar to theirs, this was not cited in the text. The additional reference is given below:

Meffre, P.; Hermann, S.; Durand, P.; Reginato G; Riu, A. *Tetrahedron* **2002**, 58, 5159.
