### Synthesis of Organic Thiosulfates Tailored for the Electrochemical Deposition of ‘Self-Assembled Monolayers’ at Gold Surfaces

Eliso Gogritchiani,\* Sandra Niebler, Nicole Egner, Michael Wörner, André M. Braun,\* Tanya Young, Prachi Gupta, Aibin Shi, Stefan H. Bossmann\* *Synthesis* **2005**, 3051.

The advanced online publication (e-First) version of this article contained the incorrect chemical formula for sodium thiosulfate in the synthetic procedures for compounds **12–17**. This error has been corrected both in the print version, which appears in this issue, and the current online version.
