The 'So What' Factor: Statistical versus Cinical Significance

DOI 10.1055/s-0029-1241216

Int J Sports Med 2009; 30: 773–774

Both the eFirst version and the print version of the editorial contain an error in the title and in the references.

The correct title is “The ‘So What’ Factor: Statistical versus **Clinical** Significance”.

The correct reference [6] is “**Batterham AM, Hopkins WG.** Making meaningful inferences about magnitudes. Int J Sports Physiol Perform 2006; 1: 50–57”.
