

Erratum

Combination Therapy with Nateglinide and Telmisartan Ameliorates Insulin Resistance in Zucker Fatty Rats by Suppressing Advanced Glycation End Product Receptor Axis

K. Miura, Y. Kitahara, T. Kajioka, M. Takeuchi, S. Yamagishi

Hormone and Metabolic Research 2010; advance online publication: DOI: 10.1055/s-0030-1267227

One of the authors' name is misspelt. The correct name is M. Takeuchi.
