

25th EUROSON 2013, Stuttgart, Germany – Registration open now!

Dear Colleagues,

We are pleased to announce that the on-line registration for the **37. Dreiländertreffen der DEGUM/SGUM/ÖGUM/25th EUROSON Congress** is now open!

The **37. Dreiländertreffen der DEGUM/SGUM/ÖGUM/25th EUROSON Congress** is going to take place in **Stuttgart** from October **9–12, 2013**.

With the Congress motto “Science and Education” all new techniques and scientific work will be presented in scientific meetings. Special topics will be worked up in Categorical Courses under several aspects within a whole day, whereas refresher courses will focus on implications and concerns of ultrasound applications in daily practice. State of the Art and special

lectures will give overviews to complete the update. Please find more information on the congress website <http://www.ultraschall2013.org/program.html>

Training sessions throughout the congress will strengthen the practical approach taught by European specialists in all ultrasound fields to optimize every participant's skill. Other main topics will be ultrasound in guidelines, sonography and other imaging modalities in oncology, ultrasound as a strategical clinical tool and first imaging method as well as sonography in emergency medicine and point of care ultrasound.

We are looking forward to welcoming you in Stuttgart for sounds of several wave lengths, staying with ultrasound friends at the EUROSON and Dreiländertreffen joint meeting in October 2013.
