ADDENDUM

The authors would like to update the affiliations for Dr. Qing Li and the Acknowledgment section in the article published online in *American Journal of Perinatology Reports* (volume 7, issue 1, pp. e49–e58; DOI: 10.1055/s-0037-1601866). The added affiliations “11 and 12” have been mentioned in the affiliations section. The following lines have been added to the “Acknowledgments” section:

Dr. Li's data analysis and manuscript preparation was partially supported by K12HD055885 (Program Director Kathleen Brady, Medical University of South Carolina) from the NICHD and the Office of Research on Women's Health, National Institutes of Health, Department of Health and Human Services. We gratefully acknowledge the assistance on data from Ken Kupfer and Hui Seacat.
