Happy Golden Anniversary to the outstanding synthetic journal!
We wish you another 50 years of molecular beauty and organic reactions discovery!

Happy 50th anniversary SYNTHESES.
Congratulations on 50 years of important contributions to organic chemistry.
Wishing you continued success in the future.

Ilhyong Ryu

M. Taillefer

Happy birthday and all the best over the next fifty years!

We congratulate SYNTHESES to its 50th anniversary!
Over the years we have been regaled with fascinating and sometimes astonishing preparative strategies. Continue to prosper as in the past!

M. Westerhausen
Dear SYNTHESES-team, many congratulations to the 50th anniversary of SYNTHESES! A journal which accompanies me since my student time as an inspiring source of exciting synthetic organic chemistry. It’s evertime a pleasure to read and publish therein!

Harald Gröger
Bielefeld University

Stuttgart, December 27, 2018

Dear Members of the SYNTHESES Team,

Happy Birthday
on the occasion of the 50th anniversary of SYNTHESES. It is a great pleasure for us to contribute to the Golden SynthesiS Anniversary Special Issue.

All the best for the future,

Yours
Sabine Laschat

Happy Birthday Synthesis!
Happy Birthday Synthesis!

Bode Group, ETH Zürich

With an interplay of Physical Organic Chemistry and Organic synthesis we cordially congratulate SYNTHESIS on its Golden Anniversary

H. Mayr and A. Ofial

Happy birthday, Synthesis!

All the best wishes for the next 50 years.

L. Ackermann
Happy 50th anniversary!
Long live to Synthesis...

A. Echavarren

Wishing you all the best on this tremendous occasion—looking forward to continued success.

M. S. Sigman

Warmest congratulations to Synthesis and its Editorial Team on the occasion of this 50th Anniversary, and best wishes for continued success and service to the community.

S. Zard

Happy 50th Anniversary!
Here’s to many golden moments ahead!

Eva Hevia

E. Hevia
Congratulations! 50 years at the top of synthetic chemistry. Here's to the next 50 years.

Robert Mulvey

Happy 50th Birthday!
All the best for the future of Synthesis.

Y. Kita and co-workers

Stephenson Group

Dear SYNTHESIS,
Congratulations on 50 years of publishing! We are delighted to be part of the golden SYNTHESIS Anniversary.
Special Issue: Happy Birthday and always more!

The Golden Anniversary for SYNTHESIS is actually the celebration of enthusiasm, constant rejuvenation, trust, commitment and tenacity. The order of these ingredients may change over time, but the high standards of quality and competence remain constant.

With all my admiration,

Tibor Soós
Institute of Organic Chemistry
Hungarian Academy of Sciences

F. Gagosz

Chiu Group

Hearty congratulations on the Golden Anniversary of Synthesis!
祝賀創刊黃金50年!

Best wishes from the Chiu group @ HKU
Happy Birthday Synthesis!

G. Maestri and M. Malacria

Congratulations on this golden anniversary, we wish Synthesis an eternal success!
