

## Erratum

In the second article of this series, published in Links issue 3/2008, a correction is needed. On page 155, under the heading *Source*, on the 5th line, it reads: "Note: abbreviations of drugs remain changed [to maintain the logic of *DJK*]." This should be: "Note: abbreviations of drugs remain **unchanged** [to maintain the logic of *DJK*]."
