

# JAAA CEU Program

Volume 31, Number 2 (February 2020)

Questions refer to Jilla et al, “Predictors of Hearing Aid Use in the Advanced Digital Era: An Investigation of Benefit, Satisfaction, and Self-Efficacy,” 87–95.

## Learner Outcomes:

Readers of this article should be able to:

- Identify normal ranges of daily hearing aid use for adults seen in private practice.
- Consider potential predictors of use and risk factors for non-use of hearing aids.

## CEU Questions:

1. The Visual Analog Scale for Daily Use of Hearing Aids (VASuse) was significantly associated with the Me and My Hearing Aids subscale of which questionnaire?
  - a. International Outcome Inventory for Hearing Aids (IOI-HA)
  - b. Measure of Audiologic Rehabilitation Self-Efficacy for Hearing Aids (MARS-HA)
  - c. Satisfaction with Amplification in Daily Life (SADL)
2. What percentage of people with hearing loss obtain or uptake hearing aids?
  - a. 10 to 15 percent
  - b. 20 to 30 percent
  - c. 45 to 55 percent
3. What percentage of people who obtain hearing aids report occasional or non-use of their devices?
  - a. 15 and 5 percent
  - b. 35 and 25 percent
  - c. 45 and 55 percent
4. Which of the following is an example of a patient-related factor that has been found to influence daily hearing aid use?
  - a. sex
  - b. number of people in household
  - c. unaided hearing difficulty
5. Which of the following is an example of a device-related factor that has been found to influence daily hearing aid use?
  - a. lifetime hearing aid experience
  - b. feedback management
  - c. noise-reduction technology
6. According to Meyer et al (2014), what is the typical amount of time it takes to master advanced handling of hearing aids and report more confidence?
  - a. 6 months
  - b. 12 months
  - c. 18 months
7. Which of the following measures includes a question on quality of life?
  - a. IOI-HA
  - b. MARS-HA
  - c. SADL
8. What domains are included in the Me and My Hearing Aids subscale of the IOI-HA?
  - a. aided listening, benefit, residual activity limitations, and satisfaction
  - b. residual activity limitations, benefit, impact on others, and negative features
  - c. daily hearing aid use, benefit, satisfaction, and quality of life
9. What was the median self-reported daily hearing aid use in the present study?
  - a. 8 hours
  - b. 12 hours
  - c. 16 hours
10. Which of the following was found to be an influence on daily hearing aid use?
  - a. advanced handling, aided listening
  - b. benefit, quality of life
  - c. personal image, negative features

**JAAA CEU PROGRAM**

**WHO?** All members of the Academy receive the CE Registry as a member benefit and are eligible to participate in the JAAA CEU Program.

**WHAT?** The JAAA CEU Program offers a minimum of 1.6 CEUs (16 continuing education hours) per volume year. Individuals can submit one or all JAAA CEU assessments for scoring and CEU credit. Each JAAA assessment is worth .2 CEUs.

**WHERE?** *eAudiology.org—Your CEU Source*

Participants can complete the assessments using the eAudiology.org online submission system, which provides automatic feedback (score, correct answers) and automatic recording to the member’s CE Registry record.

**WHEN?** Volume 31 (2020) assessments will be accepted through December 31, 2020. Volume 31 submissions will be accepted by e-mail or online at eAudiology.org. Submissions are credited in the calendar year they are submitted. You may enroll in the CEU program for 2020 (Volume 31) with a payment of \$95 for the year. This will enable you to earn up to 1.6 CEUs for 2020.

Volume 30 (2019) assessments will be accepted for a separate registration fee of \$95 until December 31, 2020. You can earn up to 1.6 CEUs with this registration! To register, visit eAudiology.org. Volume 30 (2019) assessments will only be accepted via the online program.

**WHY?** Because you want convenient and cost-effective CEUs!

**HOW?** To register online, go to [www.eAudiology.org](http://www.eAudiology.org). Once you have registered, the JAAA CEU Program will be added to your dashboard, and you will be able to access the assessments from there. If submitting by mail, complete the following and send with your completed answer sheet to the address below.
